

DURALEX®

for food processing areas, restaurants & cafes

Durablex Everclean Ultra is a two part, highly durable polyurethane that when mixed, produces an ultra tough, chemical resistant interior finish designed to withstand high intensity cleaning cycles in hardworking environments. The low VOC, low odour formula ensures quick return to service with less disruption. Designed to withstand robust cleaning cycles, to assist in the protection against mould, mildew and bacterial growth, helping to keep surfaces clean and help maintain good interior air quality.

- suitable for food processing plants, restaurants and cafes
- doors, architraves and door jambs
- chemical and stain resistant
- able to withstand more than 1000 scrubs
- 4H hardness
